### DIRECTORS' REPORT

#### For the Year 2020-21

#### Dear Members,

The Directors of the Company have pleasure in presenting the 64<sup>th</sup> Annual Report and Audited Financial Statements of the Company for the year ended 31st March, 2021.

### FINANCIAL RESULTS

The financial results, in brief, for the year ended 31st March, 2021 are as under:

	(Rs. In Lacs)	
	<u>31.03.2021</u>	<u>31.03.2020</u>
Total Income	9062.61	9863.86
Profit After Tax	46.79	159.15
Retained Earnings	3284.97	3241.24

### DIVIDEND

In view of the unprecedented times and the need to conserve cash at this time, your Directors have recommended to the Members a dividend of Rs. 0.10 per share (previous year Rs. 0.10 per share) amounting to Rs. 3.06 Lacs for the financial year ended 31st March, 2021.

### OPERATIONS & FUTURE OUTLOOK

During the year under review, Lockdown, government/covid restrictions/situations affected the performance of the Company and the Company closed the Financial Year with decreased turnover & profits. The current situation is unprecedented. Government/covid restrictions/situation continue. This may have some bearing on our performance in the near future. The Company is making its best efforts to ensure that its employees, their families and the public at large stay safe and all health & government guidelines are followed. Efforts are being made to ensure best results during these adverse times. The plan for expansion cum modernization is underway which is expected to be completed in FY 2022-23.

Your Company continues to maintain its leadership in Technical Textiles due to continued thrust on new product development and technology up-gradation. A number of steps taken to reduce costs and increase

market penetration will lead to improved performance in the coming years. The current economic scenario may however affect the results of the Company in the short term. With economic improvement, the Indian Paper Industry is expected to grow at a higher rate than the GDP growth, especially in the packaging segment. The expected completion of expansion cum modernization project together with our strong thrust on exports, will enable your Company to become more competitive and enter new markets.

## **MANAGEMENT DISCUSSIONS & ANALYSIS REPORT 2020-21**

### **INDUSTRY STRUCTURE & DEVELOPMENTS**

The Company mainly deals in technical products for the Paper Industry. The Paper Industry in India is growing at a rate higher than the GDP growth. Present per capita paper consumption in India being low, it is bound to increase, resulting in increased production of paper and increased consumption of company's products. The same is true in the case of other Asian countries. Our products requiring tailor made services offer us a great opportunity both by way of geographical advantage & local expertise.

### **OPPORTUNITIES & THREATS**

Growth in the Paper Industry is a foregone conclusion. Besides growth in the domestic sector, growth opportunity also exists in the export sector, as Asia is the fastest growing region in the world for the paper sector. Besides domestic competition, competition from overseas suppliers may increase due to various developments in the Indian Economy. However, the Company has maintained its leadership due to continuous thrust on modernization & technology up-gradation.

### **SEGMENT WISE OR PRODUCT WISE PERFORMANCE**

Products for the Paper industry had a brief setback in the current economic scenario. Wind mills are performing satisfactorily.

### **FUTURE OUTLOOK**

The expected completion of the Company's Expansion cum Modernisation Project in 2022-23, will make the Company ready for the future. This will improve the performance in the forthcoming years. The current economic scenario may however affect the results in short term.

### **RISKS & CONCERNS**

Reduction in growth rate of Indian Paper Industry and increased competition both from domestic and overseas suppliers and foreign currency rates are main areas of concern. Costly equipments and constantly upgrading technology reduces margins. However, the emphasis on Research & Development has led to an inherent technical strength, which helps the Company to maintain its leadership and bottom-line. Natural calamities, pandemics or governmental actions such as lockdown, Covid related restrictions etc., may affect the performance of the Company. However the company plans & takes proper response to overcome the loss to the extent possible.

### **INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY**

The Company has adequate internal control procedure commensurate with the nature of its business & size of its operations. Internal Audit is conducted at regular intervals and covers the key areas of operations.

### **DISCUSSIONS ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

The Company closed last financial year with lower turnover due to lockdown. The profitability too was affected. The Company plans to further strengthen the areas where more improvement opportunities exist.

### **MATERIAL DEVELOPMENT IN HUMAN RESOURCES / INDUSTRIAL RELATIONS**

The Company continues to give its high attention to its Human Resources. Various initiatives were successfully implemented during the year. Industrial relations continue to be cordial.

### **FINANCIAL RATIOS**

The details on key financial ratios are produced below which enables to measure Company's operational efficiency, liquidity, stability and profitability, giving management, investors and other stakeholders more relevant information than raw financial data and to take better strategic, operational & financial decisions by using the widely popular, and

## **wires & fabriks**

arguably indispensable, technique of ratio analysis.

	<b>FY 2020-21</b>	<b>FY 2019-20</b>
i. Debtors Turnover	2.99	3.15
ii. Inventory Turnover	4.10	3.96
iii. Interest Coverage Ratio	1.26	2.73
iv. Current Ratio	1.75	1.45
v. Debt Equity Ratio	0.71	0.92
vi. Operating Profit Margin (%)	2.08	2.87
vii. Net Profit Margin (%)	0.42	1.82
viii. Return on Net Worth (%)	0.84	4.00

Decrease in revenue from operations considering Covid-19 situations severely impacted Return on Net Worth, Operating and Net Profit Margin, in spite of reduction in Fixed Cost/ Expenses. The Debtors and Inventory Turnover are also affected. However, timely repayment of Term Loans as per schedule coupled with better utilization of borrowed working capital funds resulted in improved Debt Equity Ratio.

### **CAUTIONARY STATEMENT**

Some of the statements made above are stated as required by applicable regulations. While they are based on the data available and the bonafide judgment of the management, the actual results may be affected by various factors, which may be different from what your management envisages in terms of future performance & outlook.

**Opinion**

We have audited the financial statements of Wires and Fabriks (S.A.) Limited ("the Company"), which comprises the Balance sheet as at 31<sup>st</sup> March 2021, and the Statement of Profit and Loss (Including Other Comprehensive Income), Cash Flow Statement and the Statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date (hereinafter referred to as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profits (including other comprehensive income) and its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on financial Statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibility of the Management for the Ind AS financial statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that gives a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

## **wires & fabriks**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **ANNEXURE -B TO THE INDEPENDENT AUDITORS' REPORT**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Wires and Fabriks (S.A.) Limited** ("the Company") as of 31st March 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the

timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisation of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

M. No. 070902

**SIGNIFICANT ACCOUNTING POLICIES**

**Annexed to and forming part of the financial statements for the year ended 31st March, 2021.**

**A. Corporate Information:**

**Wires and Fabriks (S.A.) limited** ("The Company") is a public limited company incorporated and domiciled in India and has its registered office at 7, Chittaranjan Avenue, Kolkata 700 072, India. The Company is listed on the BSE Limited and Calcutta Stock Exchange Limited. The company is engaged mainly in paper mill products.

**B. Significant Accounting Policies:**

**1. Basis of Preparation and Presentation of Financial Statement**

- a) The Financial Statements of the Company have been prepared on historical cost convention under accrual method of accounting and as a going concern concept except for certain assets and liabilities which are measured at fair values as required by the Indian Accounting Standard (Ind AS).

Fair value is the price that would be received to sell an asset or paid to transfer of liability in an ordinary transaction between market participants at the measurement date. All assets and liabilities have been classified as per the Company's normal operating cycle and the other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and noncurrent classification of assets and liabilities.

- b) The Financial Statements of the Company have been prepared to comply with the Ind AS, including the rules notified under the relevant provisions of Companies Act, 2013. Accounting policies have consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
- c) Company's Financial Statements are presented in Indian Rupees, which are also its functional currency and all amounts are rounded to the nearest rupees, except as stated otherwise.

**2. Property, Plant and Equipment**

- a) Property, plant and equipment are stated at cost of acquisition or construction inclusive of freight, net of recoverable taxes /duties, borrowing cost, net changes on foreign exchange contracts and adjustments arising from exchange rate variation attributable to the assets and other directly attributable cost of

## **wires & fabriks**

bringing the assets in its working condition for its intended use, less accumulated depreciation and impairment losses, if any.

Subsequent cost are included in the asset's carrying amount or recognised as a separate cost, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and cost can be measured reliably.

- b) Depreciation on property, plant and equipments other than Wind Power Plants is provided on "straight line method" and on Wind Power Plant on "Written down value method" based on useful life of the assets ascertained by the Company, which are in line with Schedule II to the Companies Act, 2013. Leased assets is amortised over the period of lease.
- c) The gain and loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.
- d) Insurance claims for damaged capital goods are accounted for on settlement of claims as per practice.
- e) Expenses incurred relating to the project, net of income earned prior to its intended use are considered as Pre Operative Expenses and disclosed under Capital Work in Progress. Pre-operative expenditure is allocated on the respective assets in the year of capitalisation.

### **3. Leases**

- a) Leases are classified as finance leases wherever the terms of the lease, transfers substantially all the risk and rewards of the ownership to the lessee. Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease.
- b) Leases are classified as right-of-use asset wherever the terms of lease, convey the right to control the use of the asset and has substantially all of the economic benefits from use of asset. Asset held under right-of-use is initially recognized as asset of the company at the fair value at the inception of the lease. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

### **4. Intangible Assets**

- a) Intangible Assets are stated at cost of acquisition or construction inclusive of freight, net of recoverable taxes /duties, borrowing cost, net changes on foreign exchange contracts and adjustments arising from exchange rate variation attributable to the assets and other directly attributable cost of bringing the assets in its working condition for its intended use, less accumulated depreciation and impairment losses, if any.
- b) The gain and loss arising on the disposal or retirement of an item of Intangible assets is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.
- c) Computer Software is amortised over a period of 5 years.

### **5. Inventories**

Inventories are valued at lower of cost or net realizable value. Cost of inventories comprises of cost of purchases, cost of conversion and other cost including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. The Company follows weighted average method for deriving cost of Work-In-Progress and Finished Goods. Provisions are made to cover slow moving and obsolete item. Scrap is valued at estimated market value.

### **6. Impairment of non financial assets - Property, Plant and Equipment**

The Company assesses at each reporting date whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating unit may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

## **7. Research and development expenditure**

Revenue expenditure on research and development is charged as an expense in the year in which it is incurred under respective heads of accounts. Expenditure which results in the creation of capital assets is capitalised and depreciation is provided on such assets as applicable.

## **8. Employee benefits**

### **a) Short term Employees Benefits Expenses**

Short term employee benefits are recognised as expenses at the un-discounted amount in the Statement of Profit and Loss of the year in which the related service is rendered. Termination benefits are recognised as expenses as and when paid.

### **b) Post Employment Benefits**

- i. Employee benefits in the form of Provident Fund, ESIC and Labour Welfare Fund are considered as defined contribution plan and the Company pays the contributions to recognised funds which are charged to the Statement of Profit and Loss during the period when the contributions are due, as per the provisions of respective statutes. The company has no further obligations beyond its stipulated contributions.
- ii. The cost of providing Gratuity, a defined benefit plan is determined using the projected unit credit method, on the basis of actuarial valuation performed by an independent actuary at each Balance Sheet date. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumption are changed or credited to Statement of Profit and Loss in the period in which they arise.
- iii. Provision for Compensated absence and Gratuity liability of whole time Directors and employees, which are defined benefits and determined using the Projected Unit Credit method, on the basis of actuarial valuation performed by an independent actuary at each Balance Sheet date. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumption are changed or credited to Statement of Profit and Loss in the period in which they arise. The Gratuity liability in respect of employees of the Company (except whole time Directors and employees joined after 31.12.2012) is covered through a policy taken by a trust established under the Group Gratuity Scheme with Life Insurance Corporation of India (LIC).

## **9. Borrowing cost**

Borrowing cost consists of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition of qualifying assets are capitalised as a part of cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

## **10. Taxation**

- a) Provision for current tax is made and retained in the accounts on the basis of estimated tax liability as per the applicable provisions of the Income Tax Act, 1961 and also considering assessment orders and decisions of appellate authorities in the Company's case. Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India. This gives rise to future economic benefit in the form of tax credit against future income tax liability. The company reviews the position of the MAT credit entitlements at each balance sheet date and recognises the same, if there is convincing evidence that the company will utilise the same for payment of normal tax during the specified period and the resultant credit can be measured reliably.
- b) Deferred tax is recognised on timing differences between carrying amount of assets and liabilities in the Financial Statement and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the assets realised, based on the tax rates and laws that have been enacted or subsequently enacted by the end of the reporting period. The carrying amount of Deferred tax liability and assets are reviewed at the end of each reporting period. Deferred tax liability are generally recognised for all taxable temporary differences and Deferred tax assets are generally recognised for all tax deductible temporary differences, carry forward tax losses and allowances to the extent there is reasonable certainty that these assets can be realised in future.

### **11. Foreign currency transactions**

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary Foreign Currency assets and liabilities are restated at the rates ruling at the end of the year and exchange difference arising out of such transactions are dealt with in the Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to the interest cost on foreign currency borrowing that are directly attributable to the acquisition or construction of qualifying assets, are capitalised as cost of assets.

### **12. Provisions**

Provisions are recognised when there is a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at each Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the best current estimate.

### **13. Revenue from contract with customers**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received or receivable, net of returns, discounts, volume rebates, and goods and service tax. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company regardless of when the payment is being made.

Export Incentives are recognised on post export basis on entitlement rates. Government grants are recognised on receipt / reasonable ascertainment of ultimate collection thereof. Interest income is recognised using the effective interest method

### **14. Use of estimates**

The preparation of Financial Statements requires estimates to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/ materialised

### **15. Financial Instrument**

#### **a) Financial Assets**

##### **i. Initial Recognition and measurement**

Financial Assets and Financial Liabilities are recognized when the Company became a party to the contractual provisions of the instrument. All Financial Assets and Liabilities are initially recognised at fair value except for trade receivable which is initially measured at transaction price. Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities which are not at fair value are adjusted through profit or loss to the fair value on initial recognitions. Purchase and sale of financial assets are accounted for at trade date.

##### **ii. Subsequent measurement**

###### **a) Financial Assets carried at amortised cost (AC)**

A financial asset is subsequently measured at amortise cost, if the financial asset is held within a business model, whose objective is to hold the asset in order to collect contractual cash flow and the contractual term of financial asset give rise on specified date to cash flow that are solely payment of principal and interest on principal amount outstanding.

###### **b) Financial Assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is subsequently measured at fair value through other comprehensive income if financial assets is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets and the contractual term of financial assets give rise on specified date to the cash flow that are solely payment of principal and interest on principal amount outstanding. The Company has made irrevocable election for its investments which are not

held for trading and are classified as equity instrument to present the subsequent changes in fair value in other comprehensive income on its business model. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of each equity investment.

c) **Financial Assets at fair value through profit or loss (FVTPL)**

A financial asset which is not classified in any of the above categories is measured at fair value through profit or loss (FVTPL).

**iii. Other Equity Investments**

All other equity investments are measured at fair value with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the company has elected to present the value change in "Other Comprehensive Income".

**iv. Impairment of Financial Assets**

In accordance with Ind As 109 the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those required at fair value through profit and loss (FVTPL). Expected credit loss is measured through a loss allowance at an amount equal to:-

- The twelve months expected credit loss (expected credit loss that result from those default events on the financial instruments that are possible within twelve months after the reporting date) ; or
- Full lifetime expected credit loss (expected credit loss that result from all possible default events over the lifetime of the financial instruments).

For trade receivables company applies expected lifetime losses from initial recognition of the receivable. For other assets, the company uses twelve month ECL to provide for impairment loss where there is no significant increase in credit risk since initial recognition. If there is a significant increase in credit risk since initial recognition, full lifetime ECL is used.

**b) Financial Liability**

**i. Initial Recognition and measurement**

All financial liabilities are recognised at fair value.

**ii. Subsequent measurement**

Financial liabilities are carried at amortised cost using the effective interest rate method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amount is approximate fair value due to the short maturity of these instruments.

**c) Derecognition of financial instruments**

The Company derecognises a financial asset when the contractual right to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**16. Government Grants:**

The company recognise Government grants only when there is a reasonable assurance that the conditions attached to them shall be complied with and grant will be received. Grants related to assets are treated as deferred income and are recognised in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the assets. Grants related to income are recognised on a systematic basis over the periods necessary to match them with the related cost which they are intended to compensate and are deducted from the expenses in the Statement of Profit and Loss.

**17. Contingent Liability and Contingent Assets**

Contingent Liabilities are not provided for in the accounts and are separately shown in the Notes on Accounts. Contingent Assets are neither recognised nor disclosed in the Financial Statements.

**NOTE 40 : Capital management**

The company's capital management is intended to create value for shareholders and maintain optimum capital structure to reduce the cost of capital. The Company determines the amount of capital required on the basis of annual business plan, coupled with long term and short term requirements and company's expansion / modernisation plans, reviewed by Board of Directors. The funding needs are generally met through long term and short term bank borrowings. The Company monitors the capital structure on the basis of net debt to equity and maturity profiles of the overall debt portfolio of the company. Net debt includes interest bearing borrowings less cash and cash equivalents and current investments, if any.

The table below summarised the capital, net debt to equity ratio of the Company:

The fair value hierarchy categorised financial instruments into Level 1 to 3, as described below:

- i) Quoted prices in an active market **(Level 1)**:  
This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consist of investment in quoted equity shares.
- ii) Valuation techniques with observable inputs **(Level 2)**:  
This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within level 1 that are observable for the assets or the liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- iii) Valuation techniques with significant unobservable inputs **(Level 3)**:  
This level of hierarchy includes financial assets and liabilities, measured using inputs that are not based on observable market data (unobservable inputs).
- iv) Short term financial assets and financial liabilities are stated at carrying value which is approximately equals to their fair value.

### NOTE 42: Financial Risk Management

In the Course of its business, the Company is exposed to a variety of financial risk, which may adversely impact the fair value of its financial instruments. The Company has a risk management policy to monitor financial risk - Market risk, Credit risk and Liquidity risk associated with financial assets and liabilities. The risk management policies is reviewed by Board of Director periodically and required mitigation steps are taken.

#### a) Market Risk

The primary market risk to the Company is fluctuation in foreign currency exchange rates. The Company is exposed to foreign currency risk through its sales in overseas countries (exports) and purchases from overseas suppliers (imports) in foreign currencies. The company pays off its foreign exchange exposure within a short period of time. Presently Company's exports broadly mitigate the risk for imports except capital goods. However, with increase in exports, profitability may be partly affected if rupee appreciates. The Company has facilities of derivative financial instrument- foreign exchange forward and option contracts to mitigate the risk.

#### b) Credit Risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 29,28,74,708 and Rs 32,89,79,885 as on 31.03.21 and as on 31.03.20 respectively. Trade receivable are unsecured and are derived from revenues from customers. The company has a Credit review & monitoring system which includes credit approvals, credit limits and monitoring. Doubtful debt strategies are made for recovery and limiting future exposure. Exports are preferably through LC or advance, besides covering the risk from credit risk agency, wherever applicable. Credit risk on cash and cash equivalent and bank balances is limited as the Company generally maintain balances / deposits with recognised banks.

#### c) Liquidity Risk

Liquidity risk refer to the risk that the Company may not able to meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per the requirement. The Company has obtained adequate fund and non fund based working capital limits from its bankers. The Company maintains its surplus funds, if any, in deposits / balances which carry low risk. The Company believes that the working capital is sufficient to meet its current requirements.

The Table below provides details regarding the Company maturities of financial liabilities:

#### NOTE 43: Covid 19

The outbreak Corona Virus (COVID 19) has severely impacted businesses around the globe. In many countries, including India, there has been severe disruption to regular business operations due to lockdowns & other emergency measures causing significant disturbance & slowdown of economic activities. The Company has made assessment of its operations (turnover, profitability, liquidity), assets (plant & equipments, inventories, receivables, other current assets) position, ability to pay its liabilities as they become due, effectiveness of internal financial controls, etc. and has concluded that there are no material impact or adjustments required in the financial statements as on date. Management believes that it has taken into account all the possible impact of known events (based on internal sources & market intelligence) and possible future uncertainties in the economic conditions (to arrive at its estimates) till the date of approval of its financial statements arising from COVID 19 pandemic in the preparation of the financial statements. However, the full extent to which the pandemic will impact future financial results of the Company cannot be reasonably ascertained.

The Company is in the business of manufacturing of Technical Textiles, primarily for pulp & paper industries/other filtration uses, which are connected with activities that are fundamental to economy. The demand for the Company's products is expected to be lower in the short term, though the same is not likely to have a continuing impact on the future business of the Company. Management is of the view that considering the nature of its business operations, existing customer & supplier relationships, its market position, etc. impact on its business operations, if any, arising from COVID 19 pandemic is expected to be low. However the impact of COVID 19 pandemic including the current wave, may be different from that estimated as at the date of approval of these financial statements. The Company continues to monitor the impact of COVID-19 on its business, customers, vendors and employees, etc.

**NOTE 44:** The Government of India has approved the Labour Codes which may impact the employees benefits and statutory contributions by the Company. The Ministry has released draft rules. The final rules are yet to be notified. The Company will assess the impact of the same, when it comes into effect and will give appropriate impact in its financial statements, if any.
